

Dragi colegi,

Pentru destinatia Cuba se solicita turistilor la destinatie cartela turistica de intrare in tara si se achita la iesire o taxa obligatorie.

Cuba

Pentru cetatenii romani care calatoresc în Cuba este necesara obtinerea vizei de intrare. Viza se poate obtine de la ambasadele sau consulatelor Cubei în strainatate.

Vizele se emit pentru o perioada de 30 zile. Pentru intrarea în Cuba în scop turistic, există urmatoarele posibilități:

- Obtinerea vizei la ambasadele sau consulatelor Cubei în strainatate;
- Obtinerea cartelei de turist, „Tarjeta de turista”, echivalent cu viza în scop turistic aplicată în pasaport;
- „Tarjeta de turista” sau Cartela turistica= Viza turist (disponibilă în IRIS.plus la tariful de 26 Eur/ Persoana).
- Dacă turistii detin cartela turistica achiziționată prin Tour Operator, nu mai este necesară aplicarea pentru viza prin Ambasada Republicii Cuba în România
 - Cartela NU se poate obține de pe aeroportul de destinatie din Cuba.
 - La iesirea din tara se achita taxa de iesire din tara obligatorie 25 CUC, doar Cash (nu se accepta Eur sau \$).

Vă rugăm să verificati de fiecare dată cu atenție condițiile de călătorie pentru destinațiile vizate, în funcție de cetatenia turistilor, în surse avizate precum site-urile ambasadelor, consulatelor sau www.mae.ro.

NOTE:

Noutate  Cartela de turist Cuba nu mai poate fi rezervata ca produs individual in IRIS.plus.

Pentru a putea oferi acest produs turistilor nostri, prin intermediul touroperatorilor din World of TUI, este necesar să adaugăm în IRIS.plus un produs de hotel (Accommodation), pachet (Package sau Fly & Mix), rent-a-car sau circuit (Round trip).

În cazul în care vom încerca să rezervăm doar cartele turistice vom identifica mesajul de mai jos:

Touroperatorii din World of TUI trimit cartelele de turist prin curier rapid.

Touroperatorul ne-a informat ca pentru rezervarile efectuate din scurt, cu mai putin de 14 zile pana la plecare, nu va mai expedia cartelele prin posta/curier, ci turistii le pot ridica de pe orice aeroport din Germania/Austria. Deci rezervarile sunt posibile si din scurt, insa turistii vor trebui sa ridice cartelele din aeroport. Daca va veti regasi intr-o astfel de situatie va rugam sa ne comunicati pe mail detaliile de zbor ale turistilor ca sa putem transmite touroperatorului din ce aeroport vor ridica turistii aceste cartele si sa se faca toate aranjamentele necesare.

Cum pot sa colectez cartelele de turist din modulul Add On adaugand apoi produsul de baza?

Click pe meniul „Add on”:

Introduceti data de aterizare la destinatie (data de intrare in tara), codul de destinatie (VRA, HAV, HOG pentru Cuba, in functie de aeroportul pe care vor ateriza turistii) si bifati la Category in partea dreapta, „further add-ons”.

Exemplu de input pentru CUBA aterizare aeroport Varadero:

Va recomandam pentru a putea vizualiza in cadrul primei pagini de rezultate ofertele pentru cartele turistice Cuba, sa ingustati cautarea la 1 zi, maxim 2 zile conform exemplului de mai jos, in caz contrar trebuie sa mergeti mai departe cu butonul More pana ajungeti la pagina dorita:

Cartela de turist Cuba in pachetele celorlalror tourooperatorilor germani

La unii tourooperatori germani, cartelele de turist necesare intrarii in Cuba, sunt incluse in pachetul de servicii cu zbor, in timp ce la alti tourooperatori, acestea **nu** sunt incluse in tariful pachetului.

Pentru a putea oferi consultanta corecta turistilor, referitor la achitionarea cartelei de turist prin Ambasada, va rugam sa aveti in vedere informatiile prezentate in tabelul de mai jos.

Maniera in care sunt trimise de catre tourooperator din Germania documentele de calatorie si cartelele (prin Posta sau curier rapid) este de asemenea foarte importanta.

Touroperator german	Cartela de turist pentru CUBA	Taxa de iesire din Cuba	Calea de transmitere a documentelor din Germania (voucherele carnetel si cardurile)
World of TUI (TUI Germania; airtours)	Neincluse in pachete dar pot fi adaugate din IRIS.plus la tariful de 26 euro/persoana	Se achita la destinatie	Curier rapid
DER/MWR/XDER/XMWR	Inclusa	Se achita la destinatie	Posta (cu posibilitate de solicitare trimitere prin curier rapid contra unei taxe)
ITS/JAHN/XITS/XJAHN/ITSB	Inclusa	Se achita la destinatie	Posta
FTI, travel type PAUS	Inclusa	Se achita la destinatie	Posta
SVF	Neinclusa	Se achita la destinatie	Doar vouchere electronice
ALL	Inclusa	Se achita la destinatie	Posta
XALL	Inclusa	Se achita la destinatie	Posta
byebye	Neinclusa	Se achita la destinatie	Doar vouchere electronice

La tourooperatorii germani la care cartela este inclusa in pachet, trebuie sa fie rezervat un **pachet standard (prefabricat; de tip Pauschal)** si nu unul modular.

In cazul unui **pachet de tip modular (de tip Baustein, Mixx)** format din servicii individuale, cartela de intrare nu este inclusa.

Cartelele trebuie sa ajunga in original in posesia turistilor pentru a le putea folosi.

La touroperatorii dinamici (JT, VTO, LMX, FER) cartelele de turist pentru destinatia Cuba nu sunt incluse in ofertele de pachet.

Dupa cum reiese din tabel, singurii tour operatori care trimit cartelele de turist prin curier rapid sunt tour operatorii din World of TUI.

Pentru touroperatorii din grupul DER Touristik (DER/MWR/ITS/JAHN) exista si posibilitatea de a achita separat o taxa de curierat rapid (aproximativ 30 euro/expediere) astfel incat documentele sa fie transmise pe aceasta cale. Contravaloarea serviciului de curier rapid in acest caz nu este comisionabila si poate fi adaugata ulterior pe rezervare offline (transmiteti solicitarea pe email la helpdesk@dertour.ro). Expeditia rapida soseste in maxim 4 zile lucratoare la Helpdesk.

La touroperatorii din grupul DER Touristik nu este posibil sa rezervam doar cartele turistice. Acest serviciu poate fi rezervat doar in combinatie cu cel putin un serviciu de cazare de la DER Touristik.
